B AK in Noo Yaurk aggen hooray. am I glad, wel I gess but we had lots uv fun all d' same. we cum frum Ingland ware Lundun is an' dey wuz orfy sorry w'en dey hold dat we wuz gaw'n bak aggen o stay wid us dey cride, but I sed nit jently.

I cauled on d' queen o Mickey she sed I'm glad ye've cum baht t' Lundun aggen, are ye gaw'n t' stay now. no victorier I sed mutch as I wud like it I hav t' get baht t' Noo Yaurk aggen, d' poor lady neerly cride.

enyyway she sed ye must cum t' d' kassil fer lunche an' we'll hav a little spred. so d' next day I went t' d' kassil an' I met all me ole frends uv d' noability.

Al neerly had a fit w'en he spide me. if dis aint Mickey Dugan he yeld I'll eat me krown, yes prints I sed it is meself wot ye see an' no other an' I told 'im d' story uv wot we seen on our travails. sum uv d' gests looked as if dey thought I wuz stringin' 'em witchi I wuz but dey had no rite t' get fresh' about it.

Did'je see me roll kuzzin d' Zar askt d' Queen, did I I sed w'y me an' him rode tandem wile I wuz in rusher. den d' dook uv yaurf put his oar in an' sed dat's a fake Mickey 'cause d' Zar can't ride a weel. o can't he, I sed sarkastic like, didn't I loin' him t' ride? dat fazed d' krowd.

den d' Dutchessey ur yaurf brout out her latest kid an' askt me wot I thought uv 'im. aint he luvly she sed. o I don't kno I replide lie looks jest like misses Cassidy's kid wot had d' meezils w'en I left Noo Yaurk. d' Dutchessey sed I wuz a sassy brat.

Vicky I sed w'y didn't ye make Sainly caulf time on dat greake waur, wot? w'y did'je let d' poor greaks get soaked? dat's rite Mickey sed d' printress uv wales, sock it to er, I told 'er t' do sumthin'. d' queen shook her hed an' sed Mickey dere's lots uv t'lings

wot yure ignerent uv an' dat's wun uv 'em: ennyway sed d' printress d' kid's hart is in d' rite place, dat may me replide d' queen but he's got weels in his hed.

Jest den saulburry himself cum in, hello Mickey he sed holdin' out his hand but I guy 'im d' frozen fase, no souly, I sed coldly, I c'n never shake d' hand uv a man wot let d' poor greaks geddit in d' neck. o I don't kno sed sauly, w'y 'r you so stuck on d' greaks all uv a suddin? I aint stuck on d' greaks I sed but I'm ded soar on d' Toiks 'cause dey all smoke siggerets an' ware bloomers, dey're sissies.

Den d' printress uv wales chucked her arms arround me an' sed Mickey ye're a peetch, if I had yure eloquents I'd make speetches fer dat upprest nashun. an' Gladstone wot wuz watchin' us sed dat rite de boy is a wunder so I guess I'll go on d' staje.

But saulburry got square wid me befau'r d' party wuz over, he sneeked a peece uv pie into me pokkit an' I sat on it an' now me an' him don't speek an' if I hav enny pull wid platt dat arbittrashun treety is gaw'n t' get kild.

befau'r I left Lundun Vicky askt me if I wanted t' be a nite uv d' garter but I sed no

I didn't ware 'em. But ye're comin' t' d' joobilly aint'che she sed? not if I c'n help it Vic, I sed. she wuz orfy dissapointed so I prommest t' send 'er sumthin'.

wel d' prints uv wales an' d' hole push cum down t' d' dock t' see me awf an' d' band plade comrads ever sints we wuz boys, remember me t' d' gang sed Al an' den d' steemer got a move on 'er an' d' foist f'ing I noo I wuz seesick. o it's orful dat seesick bizniss it lasted frum d' time I left Ingland til I seen d' Battery. o I'm glad t' get back.
